COMGUY.
YOUR #1 COMPUTER GUY

BUILD / UPGRADE / AI READY

NVIDIA TESLA / CARDS + COMPLETE RIGS

V100 / YOUR WAY TO COMPUTE.

Single cards or complete workstations for AI and compute workloads.

SINGLE CARDS

01 / HARDWARE

NVIDIA Tesla V100 PCIe 32GB

32GB HBM2 ECC · 5,120 CUDA · 640 Tensor

Blower and power adapter cables included · 6-month COMGUY warranty

฿27,900 PER CARD

NVIDIA Tesla V100 PG500 32GB

32GB HBM2 ECC · 4,608 CUDA · 576 Tensor

Blower and power adapter cables included · 6-month COMGUY warranty

฿26,900 PER CARD

Single-card prices include DHL Express delivery within Bangkok. Outside Bangkok, delivery is quoted separately before order confirmation.

COMPLETE WORKSTATIONS

02 / WORKSTATIONS

COMPLETE RIG	SPEC A 1× NVIDIA V100 32GB ฿65,000	SPEC B 2× NVIDIA V100 32GB ฿90,000	SPEC C 4× NVIDIA V100 32GB ฿150,000
CPU	Intel Xeon E5-2666 v3 ×1	Intel Xeon E5-2666 v3 ×2	Intel Xeon E5-2666 v3 ×2
Motherboard	Huananzhi X99-F8 Gaming V6.0	Huananzhi X99-F8D Plus V1.2	Huananzhi X99-F8D Plus V1.2
Expansion	—	—	PCIe 4.0 x16 extension cards ×4
RAM	32GB DDR4 ECC (8GB ×4)	32GB DDR4 ECC (8GB ×4)	64GB DDR4 ECC (16GB ×4)
Storage	M.2 SSD 1TB	M.2 SSD 1TB	M.2 SSD 1TB
Compute GPU	NVIDIA V100 32GB ×1	NVIDIA V100 32GB ×2	NVIDIA V100 32GB ×4
Display GPU	GT730 Low Profile	GT730 Low Profile	GT730 Low Profile
Power supply	SAMA G Series 650W	SAMA P Series 1200W	SAMA XP Series 2400W (1200W ×2)
Case	SAMA ATX case	SAMA E-ATX case	AI Workstation Rig

Spec B: the board has a path to up to 4 V100 cards with suitable expansion, power, and cooling.

V100 cards handle compute; the GT730 provides display output · Workstation prices are per complete rig as specified.

PARTS WARRANTY

Cards + complete rigs

Other parts	1 YEAR	NVIDIA V100 GPU	6 MONTHS	RAM	LIFETIME*

*RAM coverage lasts while the manufacturer still produces that model. COMGUY assists with claims, subject to the manufacturer's terms and decision.

Damage to the affected part from liquids, impact, power surges, misuse, or unauthorized modification or repair is excluded from coverage.

LET'S TALK HARDWARE.

Ask COMGUY about configuration, availability, and delivery.
